SMALLBORE RIFLE MATCH

March 16, 2009

Instructors Win

	<u>Juniors</u>		<u>Instructors</u>	
Standing:	Nathan Conley	81	Ron Bengé	90
Kneeling:	Jessica Ramsey	84	Nick Herrin	85
Sitting:	Brian Wissel	89	Gary Schweinfest	85
Prone:	Ben Mack	<u>98</u>	Lew Lucas	<u>95</u>
	Team Score	352	Team Score	355

Seven Instructors and twenty juniors shot in the match. This was a record number of Juniors shooting in the annual match, and maybe a record number of Instructors as well. All competitors shot with iron sights. Ten shots were fired for record on the NRA A-17 target at 50 feet. Juniors and Instructors shot on the same relays. The best four scores from the juniors and the best four scores from Instructors were used to make up the team scores. Gary Schweinfest shot a 100 prone but the target was not used because Gary also shot sitting. No other Instructor shot sitting so Gary's sitting score was needed for the sitting position. Two positions from one Instructor will not be used if there are four or more Instructors shooting.

The Instructors feared they were going to get beat by the juniors since several of the juniors had been shooting excellent scores most of the year. The Instructors did not want another year of heckling from the juniors. To the Instructors surprise they out shot the juniors by three points, giving the Instructors bragging and heckling rights for the year. The both teams shot well and had a good time. Scores are normally close and you never know which team is going to win until all competitors have shot and the targets have been scored.
